

Mozart Season, Midnight Train To Bellevue

Take three years
Take these tears
Blow it out of proportion
Like you never (Lived a single day without regret)
Like you never (Lived without my voices in your head)
Three states and eighty shows later its over
But its okay 'cuz
Right here is
Where I belong
True friends stab in the front
What's said is said whats done is done
Your eyes crushed in
My fingers is
The only way you'll see
Keep yourself contained
Because trust me
Because you dont wanna see my
"look at me now" face
You taught me nothing I
Didn't already know
Was it fun riding on my shoulders?
Now you'd kill
Now you'd sin
To rip open my skin and live a day in my shoes
You've got nothing left to lose
You fooled me once SHAME ON YOU
You fooled me twice SHAME ON ME
You fooled me three times and
DEATH WILL COME ON BROKEN WINGS
Right here is where I belong
