

MoZella, Going Home

I pretend that I don't care
when you know that I do
cause every step that I retrace
always leads me back to you

so how can you say
that you want me to stay
as I board the plane

show me if you want it
if you feel it cause I know
that I'm somewhere in your soul

give me a reason to love you
give me a reason not to go
home

and this is something you don't know
truth is, I don't know myself
but all I know is when I'm with you
I don't want nobody else

so how can you say
that you want me to stay
as I board the plane

then show me if you want it
and you feel it cause I know
that I'm somewhere in your soul

give me a reason to love you
give me a reason not to go
and this might sound crazy
but I've loved you all along
so just humor my senses
as I sing this song
to you

and show me if you want it
and you feel it cause I know
that I'm somewhere in your soul
