

Mpress, Something More

dont know what your tryin to do playin with my heart dont know if your
words are true where the
lies end, where they start well im not gonna be your fool baby, im to
smart i dont need someone i cant feel i dont need you if your not real
baby

(chorus)

i want something more
something more than half your heart
i want every single part, and
i need to be shure to be shure
that you are gonna stay with me

thers more u have 2 buy the cd

bye
