

# Mr. Big, Good Luck Trying

I got no time to work  
I got no time to play  
I got no sane direction  
To go  
Stay outta my way  
That's what I say  
I'm gonna pay for all I'm buying  
Won't you wish me good luck trying  
Just like some building about to fall  
Ah, haw

I got no time to live  
I got no time to die  
I got no sane direction  
There's blood coming out of my eye  
That ain't no lie  
I'm going to pay for all you're buying  
Won't you wish me good luck trying  
Just like some building about to fall  
Ah, haw

Well I can feel the air is freezing  
It's the same way every season  
I don't care 'bout any reason  
For it all  
I can find no broken wire  
In my old tube amplifier  
For my soul there is no buyer  
Left to call

Just like some building about to fall

About to fall
