## Mr. Capone-E, You're The One For Me

(Ooh just you and me)

You're the one for me Thats right huh this is Mr. Capone-E Dropping a little song You're the one for me For all the lovers (I love it when we're cruising together baby) You're the one for me Youre the one for me A lil something something On that slow jam tip You're the one you're the one So lets take a cruise And it goes something like this Somewhere (just you and me) You and meeee (Yeahhhh)

(Verse 1) Come on just cruise with me all night long As I sing you this slow song Baby lets get it on Becuz this times been wastin Sitting in the park hoping that youre not taken Mistakin to think i could have you when i want you Remember that day When I first hugged and kissed you Met you at the BBQ with them thick of thighs Pretty long hair with your almond brown sugar eyes Got me hypnotized Started something sweet This relationship partnership is all we need Proceed through the breeze as we straight up coastin With the sunroof down baby stay close And never leave my presence In essence keep it true You're the one for me And Im the one for you

(Chorus) You're the one for me Thats right baby Im the one for you You and me baby You're the one for me Come on baby So lets take a cruise (Just you and me) You're the one for me Thats right baby Im the one for you You and me baby You're the one. You're the one Come on baby So lets take a cruise somewhere (Lets take a cruise) Thats right You and me Feel me

(Verse 2) Back again you and me as I continue this journey Baby Im for real steal my heart in a hurry Early in the morning as I wake up to this tune While Im think about you (While Im thinking about you too) Baby boo lets take a cruise As i hit the beach Rub your body down with lotion as I start to reach Kiss you on your cheek As I hold you in my arm (you know that I love your charm) I keep it strong but my feelings always ran deep Ever since junior high it was just you and me (You and meee) Swooped you off your feet becuz we got nothing to lose (You and me lets take a cruise) (Baby, baby, baby, baby)

(Chorus) You're the one for me Thats right baby Im the one for you You and me baby You're the one for me Come on baby So lets take a cruise (So let's take a cruise) You're the one for me Thats right baby Im the one for you You and me baby You're the one. (the oneeee) Come on baby So lets take a cruise somewhere (Lets take a cruise) Thats right You and me Feel me (Just you and me)

Thats right baby lets take a cruise All night long nothing can stop us (just you and me) You by my side uh on this long journey (Just you and me) This long ride Where the sun shines till the eternity Till eternity Baby im for real Mr. Capone-e Mr. Capone-e Lets take a cruise (you and meee) Feel you too I feel you I feel you too

(baby) You and me (I love it when we're cruising together) You and me

(Baby) You and me (I love it when we're cruising together) You and me (Love it when we're cruising baby Just you and me Just you and me)
