

Mr.Da-Nos, Holding On (ft. Nico Santos)

Holding On to you
Yes, I'm Holding On to you
/3x

My feel in my vein
Even thou it's rushing
I don't feel nothing
I know it's sounds insane
But I talk to much
I'm addicted to you touch

I know what you're thinking
When I've be gone
I promise you I won't breath alone

Holding On to you
Yes, I'm Holding On to you
/3x

Crash , and you know about it, on you

Lay down on me
Because heart on me
... To breath
You can drag me into the deep
You want drawn me out
Coz I so fall down

I know what you're thinking
When I've be gone
I promise you I won't breath alone

Holding On to you
Yes, I'm Holding On to you
