Na na, na na na na na, na na na na na, na na na na na

[Verse 1:]

Love has played the game on me far too long
Started to believe that maybe there's something wrong
The day you came into my life my sky turned blue
Girl everyday I thanked the lord that he sent you

[Chorus:]

This can't be real, girl I must be dreamin
The way that I feel, like I'm on cloud nine
And when you are near, the world stop surround me baby
Your an angel in disguise

The queen of my castle your my star in night
And anytime your with me everything's alright
