

Mr. Mister, Bare My Soul

(One, two, one, two, three)

I say these words to ring in your ears
I want these words to sing to your soul
To wrap around your eyes like a glimpse of tomorrow
Today our joy outweighs all our sorrow

I will bare my soul to you, and do anything you ask me
I'll bare my soul to you, this is the best that I can do
I'll bare my soul to you

You think you know the man that is me
The one your heart demands you to see
When fear has made a lie of a perfect perception
Well the truth of love is in our redemption, oh

Chorus:

I will bare my soul to you, I'll do anything you ask me
I'll bare my soul to you, this is the best that I can do
I'll bare my soul to you, reach out your hands and touch me
And when the storm blows through, I will be there, I'll be there

I'll bare my soul to you

Oh I say these words, they're ringin', can you hear these words I'm singin'
I will bare my soul to you, to you, yeah

(Solo)

(chorus repeats out)
