

# Mr&Ms, Like I Do

Sometimes I look to the beautiful sky  
And I remember your beautiful eyes  
But you will never know how I feel  
`Cause you are looking into her eyes  
I am with her but I`m thinking at you  
I`m kissing her but I see only you  
And it`s hard, it`s so hard,  
You are breaking my heart  
I can`t get over you  
Tell me, does she kiss you like I kiss you?  
Does she love you like I used to love you?  
It`s too good that I`m for you  
Nobody loves you like I do-do-do-do-do  
Nobody loves you, nobody loves you  
Nobody kiss you like I do-do-do-do-do  
Nobody kisses you, nobody kisses you  
Like I do only you, only you  
Like I do only you, only you  
Like I do only you, only you  
I miss the sweet taste of your lips  
I miss the way we used to kiss  
And it`s hard, it`s so hard  
You are breaking my heart  
I can`t stop loving you  
Tell me, does she kiss like I kiss you?  
Does she love you like I used to love you?  
It`s too good that I`m for you  
Nobody loves you like I do-do-do-do-do  
Nobody loves you, nobody loves you  
Nobody kiss you like I do-do-do-do-do  
Nobody kisses you, nobody kisses you  
Like I do only you, only you  
Like I do only you, only you  
Like I do only you, only you  
Only you 6x  
Nobody loves you like I do-do-do-do-do  
Nobody loves you, nobody loves you  
Nobody kiss you like I do-do-do-do-do  
Nobody kisses you, nobody kisses you 2x  
Lke I do only you
