

Mr. Sancho, Meant 2 Be

TaLkiNg

Yeah, this song right here is dedicated to my lost love.
It took me a long time to gather my thoughts
And tell you how I feel, but all I can say is
I love u and I miss u

VeRse 1

U were just a friend 2 me
love the way you brought out the best in me
we joked, but never talked about it
we were meant 2 be
Baby do u feel the same?
just don't feel ashamed
I know we found a calm and only u will rest my pain
I understand u already got a man
gotta tell you how I feel in case my life comes to an end
but I'm still here for ya, real for ya
I think that I would pack the steel for ya, kill for ya
you're all I need

#Chorus 1#

So if you really wanna try
follow your feelings they dont lie
now dry your eyes and please dont cry
our friendship wont be jeopardized

VeRse 2

Would you do the same for me
take the blame for me
baby girl
you know that I would never change from me
you know I tell u what I'm made of
I tell u straight up what my feelings for u
are really made of

#Chorus 2#

Me & U we were meant 2 be, together
for all eternity (2x)

VeRse 3

So baby tell me what you think
Yeah I know that you need some time to think
And did I catch you by surprise
I think I need to tell u how I feel inside
but baby just remember this
we gave each other our very first kiss
we learned about the birds and the bees together
made a promise to be friends forever
and I don't want all that to change
2 let you know just how I feel
I just dont want this to get strange
cause I am here for ya, real for ya
you know that i'll still shead a tear for ya,real for ya
you're all I need

#Chorus 1#

#Chorus 2 (2x)#

This song's dedicated, to you Deanna.
I lost you a couple of years a go and I never got a chance to tell you
how I feel. So I made this song for you and I want you to know that
I love you and I'll always miss you.

#Chorus 2#
