

Mr. Shadow, Pocos Pero Locos Drop

Yeah

Mr. Shadow up in this one

From SD to LA it's the Pocos Pero Locos way

Somos pocos pero locos better act like you know it

105.9 FM on your radio

From San Diego to the streets of LA

Golden State representing, can't have it no other way

Criminal state of mind, the 619 is where I grind

And this is where I live and I die

Brown Pride till the day we lay under the grass

And Rest In Peace to all my soldiers that were lost in the past

I'm going out with a blast, homey it's 2K1

You can find me in San Diego daily puffing on one

What you want from this bald headed fool

I thought you knew we're staying true up and down I-5 is how we do

Rendezvous at the station

Now what you know about Mr. Shadow and his people running the nation

The show that you waited for, everybody knows

At Power 106 somos pocos pero locos
