

# Mr. T Experience, Don't Know What I'll Do If You

Well, I've been thinking, dear, and I feel pretty  
weird-and it's your fault. Thinking of you and me, how  
you accuse me of all kinds of things-and it's terrible.  
But then I think of you and I don't know what to do.  
Oh yeah.

Cause I love you and you know that I don't know  
what I'll do if you don't...

I really need you now, but you don't want to help me  
out-you don't get it. And I call out your name. You  
look at me like I'm insane. But I'm not.

I just love you and you know that I don't know what  
I'll do if you don't...love me toooooo.

So what do I do now that you refuse to help me  
out-can't do

nothing. Just think of yesterday and I'll let my imagination  
run away.

'Cause I love you etc...
