

Mr. T Experience, I Just Wanna Do It With You

Go!

I've been up all night
And down all day,
Because we're such a good couple,
But you're so far away,
What you are is the best
And that's nothing less,
Than the one I wanna waste the rest
Of my whole life with,
Yes, indeed, you're guaranteed
To everything I'll ever need.

I'm wasting my life away,
And I know I'll be sorry one day,
'Cause all I ever wanted to do is this,
And have someone to waste it with,
So anything you want to do,
I just want to do it with you.

I'm not a cool dude,
I don't have a tattoo,
Or a big Cadillac,
Or a backwards baseball hat,
I'm not too tall
And I can't play basketball,
I can't do much at all,
But still you wanna touch it all,
Yeah you do,
I do too,
Why would I lie?
Everything I said is true.

I'm wasting my life away,
And I know there'll be hell to pay,
But 'til then I wanna be with you,
And try to help you waste yours too,
And anything you wanna do,
I just wanna do it with you,
I just wanna do it with you,
I just wanna do it with you,
Anything you wanna do,
I just wanna do it with you.

Go!

We're so far apart and the trouble is
That I can't take BART out to where you live,
But I've got it all planned,
We'll meet halfway
And then we'll feel so grand,
When we're hand in hand,
And we're wa-alkin', wa-alkin',
I love you,
It's not just the Prozac talkin',
I'm just a simple man
Who you could do much better than,
Still I ask respectfully,
Will you waste your life with me?

Then anything you wanna do,
I just wanna do it with you,
I just wanna do it with you,
I just wanna do it with you,

Anything you wanna do,
I just wanna do it with you.

Go!
