

Mr. T Experience, Marine Recruiter

Sgt. Smiles, marine recruiter
teach you to program computers
teach you all the skills you need
you can die with dignity
I got a phone call from the sergeant yesterday
he had a message from the good old U.S.A.:
"Good grades, high I.Q., you're one terrific guy
we'll let you push the buttons while the other people die."
no way, that's what I say
I don't want to be a marine today
Sgt. Smiles, marine recruiter
teach you to program computers
teach you all the skills you need
you can be a f**king pig
and that's why the sergeant smiles
everyday in high school when I got home
marine recruiters called me on the phone
oh god, never thought it would come to this
I get cards I get calls now I'm on the mailing list
Mom I'm not home if they call me on the phone
