

# Mr. T Experience, Marine Recruiter

Sgt. Smiles, marine recruiter  
teach you to program computers  
teach you all the skills you need  
you can die with dignity  
I got a phone call from the sergeant yesterday  
he had a message from the good old U.S.A.:  
"Good grades, high I.Q., you're one terrific guy  
we'll let you push the buttons while the other people die."  
no way, that's what I say  
I don't want to be a marine today  
Sgt. Smiles, marine recruiter  
teach you to program computers  
teach you all the skills you need  
you can be a f\*\*king pig  
and that's why the sergeant smiles  
everyday in high school when I got home  
marine recruiters called me on the phone  
oh god, never thought it would come to this  
I get cards I get calls now I'm on the mailing list  
Mom I'm not home if they call me on the phone
