

# Ms. Dynamite, Natural High

Life's full of pain, life's full of stress  
Especially wen ur cumin from da streets  
Inhale my vibe like ur smokin sess  
Let it flow from ur head down 2 ur feet  
I gota high 4 everybody who wants sum  
Worldwide ghetto's if ur feelin dis 1  
I gota natural high just 4 ur brain  
I'll make u fly but I won't turn u insane  
What me say now  
Fuck powder fuck pills c me  
Strictly chemical free like sweet sensi  
Fuck coke fuck ecstasy  
I've seen dat shit take over 2 many  
Fuck powder fuck pills c me  
Strictly chemical free like sweet sensi  
Fuck coke fuck ecstasy  
My music get me as high as i need
