

Ms. Jade, The Champ Is Here Freestyle

(feat. Funk Flex)

[Ms. Jade (Funk Flex)]

(What up baby?)

The champ is here

Uh, the champ is here

Ms. Jade, the champ is here

Funk Flex, here she comes

Beat Club, here she comes

215 Philly shit

Here she come, here she come

When the truck pull up, and a broad hope out

Every time I go to spit, nigga raw pop out

Tell me what's that 'bout, Ms. Jade the magnificent

If you don't believe then you must be sniffin' shit

I leave rappers in a frenzy, mind boggled

Numb the pain, say fuck it and hit the wine bottle

I'm tryna tell you I'm a problem chick

And if you know a bitch sicker, go and find the chick

I got the toaster, ready to approach the game

It's kinda crowded but I'm settin' off the open flame

These chicks happy 'bout Baby Vuitton bags and rented Jags

Niggas is noodles, I twist the L and take a drag

It's evident that I'm needed very badly

Many a record labels now wishing that they had me

Thou shalt not fuck wit Ms. Jade

Or may face a thousand deaths from old thugs with new slugs

Broad rap hard like I'm one of the best

Flows sick, you can feel a beat all in ya chest

Yes it's something fit and uncut, ya better buckle up

Drink plenty water, get a lot of rest and suck it up

Uh yea, the champ is here

Uh-huh, Ms. Jade, the champ is here

The champ is here, Beat Club

Known to beat thugs, the champ is here

The Beat Club, the champ is here

The champ is here

The champ is here

The champ is here

The muh'fuckin' champ is here

Hey Flex, the champ is here

The champ is here

The muh'fuckin' champ is here

The champ is here

Uh uh uh it's over
