

MU330, Hoosier Love

Peach fuzz moustache, butt cut
El Camino pick-Up truck
Aerosmith, Loverboy, Motley Crue
Holding hands just me and you
We don't need no high school (No high school, we're too cool!)
I think we're too cool
We'll have kids at seventeen
(Getting laid at Dairy Queen)
Getting laid at Dairy Queen
Dirty, dirty, seventeen
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
I find it hard to rise above those minds
White trash, low class crime!
I grease my head with motor oil
(Grease it up, grease it up, motor oil)
I still call women chicks
Drinking beer's my claim to fame
(Drinkin' moonshine at the Steelers game)
But you love me just the same
Drinkin' moonshine at the Steelers game
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
I find it hard to rise above those minds
White trash, low class crime
We rode the rides at the school fair
You rubbed the grease into your hair
Got real drunk and slapped you 'round
Told me not to come around
No more
Hoosier love, Hoosier love (Pick it up!)
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City hoosier love
Hoosier love, Hoosier love
South Side City
I find it hard to rise above those minds
White trash, low class crime!
To all you Hoosiers...
