

# Mucky Pup, Death By Cholesteroil

Death by cholesteroil

Death by cholesteroil

Eggs, bacon, Crisco, butter, these will make your heart stutter.

Eggs, bacon, Crisco, butter, these will make your heart stutter.

Just another noise song, to fill up space.

Cause we're not creative enough to write real songs.

I'm John's heart. And if you don't stop soon, I'm gonna die.
