

Mucky Pup, Mucky Pumpin' Beat

(Lyrics D. Nastasi, Music: Mucky Pup)

Pick up your feet and drag your ass up to see
what is done by the boys and me,
f**kin' Mucky pumpin' beat,
your hands, your feet,
your butt, pumpin' down on my meat - my beat,
well I know nothing of how to dance,
but my main man Booge says,
"Do what you can",
belive me folks,
you must have trust,
3-2-1 bust.
