

Mucky Pup, You Stink But I Love You

I hate the way you act, and I hate the way you smell.
I hate the way you look girl, cause you just look like hell
You make me sick - Way Oh, Way Oh, Way Oh,
You make me sick, you really stink girl
You make me sick - Way Oh, Way Oh, Way Oh,
You make me sick, but I love you.

I hate your polyester pant-suits, and your greasy hair.
And that stuff between your braces, and your hairy derierre.

You make me sick - Way Oh, Way Oh, Way Oh,
You make me sick, you really stink girl
You make me sick - Way Oh, Way Oh, Way Oh,
You make me sick, but I love you.

When I got you in my backseat, and I tried to make my move.
I had to roll down all the windows to keep my face from turning blue.

You make me sick - Way Oh, Way Oh, Way Oh,
You make me sick, you really stink girl
You make me sick - Way Oh, Way Oh, Way Oh,
You make me sick, but I love you.
