

# Mud Flow, Monkey doll

Oooh, I'm just a boy  
As you can see  
I never buy a monkey doll

Oooh, so you don't know  
Hey, you may find  
You'll just have to let the monkey free

And if you think your mission on earth  
Is just to have some good time  
And years and years of evolution  
Won't change your mind  
So that you may find

Oooh, I'm just a none  
As you should know  
I'm not your kind of monkey doll

Oooh, maybe you love me  
Maybe you don't  
But you have to let the monkey free

And if you think your mission on earth  
Is just to have some good time  
And years and years of evolution  
Won't change your mind  
So that you may find

And if you think your mission on earth  
Is just to have some good time  
--[After all, after all, ...]  
And years and years of evolution  
Won't change your mind  
[Monkey you, monkey me, monkey you, monkey me, ...]

And if you think your mission on earth  
Is just to have some good time  
[After all, after all, ...]  
And years and years of evolution  
Won't change your mind  
[Monkey you, monkey me, monkey you, monkey me, ...]  
So that you may find  
[Monkey you, monkey me, monkey you, monkey me, ...]
