

# Mud Flow, Today

Today  
Very bad day  
A day you choose to lose  
Zinneke way

Today  
Very bad day  
What do I have to prove  
To give her a day  
Do you understand ?

Today  
A very bad day  
I lose the right to choose  
The very best way

Because some day  
No, I won't be late  
I'll have time on my side  
To give her a day  
Do you understand ?

Someone I knew  
Someone like you  
Someone I love  
Someone like you  
Someone I can't get a grip on

I can't complain I lost my regret  
I can't deny I lost my regret  
Oh I hate I lost my chance  
With someone I could trust

Today  
Very bad day  
I swear I choose to choose  
Eh... Zinneke

Someday  
Maybe I stay  
And all the rest will fade  
Like all the days  
Do you understand ?
