

# Mud Flow, Waltz 1

He's all the things I see  
He's all the things I do

All the young souls  
Drifting all in pain safely till they grow  
Till they grow

Maybe I was born a ghost  
See what she likes the most  
Black papers on the wall  
Monday Salvation Saint Paul

Oooh, palapapa, palapapa, palapapa, palapapa  
Oooh, palapapa, palapapa, palapapa, palapapa  
[Oooh, palapapa, palapapa, palapapa, palapapa...]  
Imagination is a "(cure??)"  
Sometime, someday, then we'll see  
Maybe you could share just a dream  
Hey oh, till we go  
It happened so fast "(???)"  
Hey oh, till we go  
It happened so fast "(???)"

When something, something is gone  
Say something, say something I know  
Black papers on the wall  
Monday Salvation Saint Paul

See what you are  
See what you are  
See what you are  
See what you are  
See what you are  
See what you are

All the young souls [Oooh, palapapa...]  
Drifting all in pain safely till they grow  
Till they grow  
[...palapapa]
