

# Mudcrutch, Scare Easy

My love's an ocean  
You better not cross it  
Yeah I've been the distance  
And I need some rest  
Yeah I had somebody once  
And damn if I lost her  
I've been running  
Like a man possessed

I don't scare easy  
Don't fall apart  
When I'm under the gun  
You can break my heart  
And I ain't gonna run  
I don't scare easy  
For no one

Yeah, I am a loser  
At the top of my game  
I should have known  
To keep an eye on you  
Now I got a God  
It ain't never the same  
Yeah, I got a dream  
That don't ever come true

I don't scare easy  
Don't fall apart  
When I'm under the gun  
You can break my heart  
But I ain't gonna run  
I don't scare easy  
For no one

Sun going down  
On a canyon wall  
I got a soul  
That ain't never been blessed  
Yeah and I'm a shadow  
At the back of the hall  
Yeah, I got a sin  
I ain't never confessed

And I don't scare easy  
Don't fall apart  
When I'm under the gun  
You can break my heart  
And I ain't gonna run  
I don't scare easy  
For no one

And I don't scare easy  
Don't fall apart  
When I'm under the gun  
You can break my heart  
But I ain't gonna run  
I don't scare easy  
For no one
