

# Muddy Waters, Cold Up North

It's so cold up north that a bird can hardly fly  
Well, it's so cold up north that a bird can hardly fly  
Now you know I'm goin' back down south  
Let this winter pass on by

Well, I know my baby don't know what a shape I'm in  
Yeah, I know my baby, she don't know what a shape I'm in  
Now you know I ain't had me no lovin'  
People you know I ain't got no friend

Now you know I ain't had me no lovin'  
People you know ain't got no friend

Well, I believe I go further down the road  
Yeah, I believe I go further down the road  
Now you know I done stayed over here in Switzerland  
People you know I done almost froze

Well, if I could hold, hold my heart in my hand  
Yeah, if I could hold, hold my heart in my hand  
You know I would show you pretty girls  
Just how to treat your man
