

Muddy Waters, I Done Got Over It

Lord I done got over
Lord I done got over it
Lord I done got over
Lord I done got over
Lord I done got over
I done got over and left
Well I didn't want you to be no angel
Even no gal with a job
All I wanted was one good woman
Just to love and keep me satisfied
But I done got over
Lord I done got over it
Lord I done got over
I done got over and left
I was so in love I was miserable
Although I know my love was in vain
'Cause every time I turned my back
You was out with some other man
But I done got over
Lord I done got over it
Lord I done got over
I done got over and left

Remember the day that I first met you
You seem to be this sweet little thing
But after a while you got so bad
Lord it was a cryin' shame
But I done got over
Lord I done got over it
Lord I done got over
I done got over and left
Mmmh Lord I done got over
I done got over and left
