

Muddy Waters, I Got My Brand On You

I got my brand on you
I got my brand on you
I got my brand on you
I got my brand on you
There ain't nothin' you can do honey
I got my brand on you

Oh you may go away and leave me girl, I declare you can't stay
You gonna come runnin' back to me some lonesome day
I got my brand on you
I got my brand on you
There ain't nothin' you can do darlin'
I got my brand on you

Oh I'm puttin' my brand you know baby on no certain part
But whenever I kiss you I stab it in your heart
I got my brand on you
I got my brand on you
There ain't nothin' you can do baby
I got my brand on you

Oh I got you like a fish baby, you know hangin' on my line
I can reel you in, most any time
I got my brand on you
I got my brand on you
There ain't nothin' you can do baby
I got my brand on you
