

Muddy Waters, I Want You To Love Me

I want you to love me, love your baby slow
I want you to love me, love you baby slow
I want you to love me baby, till I drop dead from your love

I want you to love me, love with your own free will
I want you to love me, love with your own free will
I want you to love me baby, love me and don't give killed

I want you to love me, till the house stand on my head
I want you to love me, till the house stand on my head
I want you to love me baby, till you know I wish that I was dead
