

Muddy Waters, Long Distance Blues

You say you love me darlin'
Please, call me on the phone sometime
You say you love me darlin'
Please, call me on the phone sometime
When I hear your voice
Ease my worried mind

One of these days
I'm gonna show you how nice a man can be
One of these days
I'm gonna show you just how nice a man can be
I'm gonna buy you a brand, new Cadillac
If you only speak some good words about me

Hear my phone ringin'
Sound like a long distance call
Hear my phone keep ringin'
Sound like a long distance call
When I picked up my receiver
The party said another mule kickin' in your stall
