

# Muddy Waters, Mean Mistreater

She's a mean mistreater  
and she don't mean me no good  
She's a mean mistreater,  
and the woman she don't mean me no good  
Well you know I don't blame you baby,  
I'd be the same way if I could  
She's a mean mistreater,  
and the girl mistreats me all the time  
She's a mean mistreater,  
and the little girl mistreats me all the time  
Well you know you just wants to quit me darlin',  
because you got that on your mind  
Well you remember that Monday mornin' that I knocked up, up on your door  
You had the nerve to tell me that you didn't love, me no more  
Can't you remember baby,  
when I knocked up on your door  
Well you know you had the nerve to tell me that you,  
didn't love me no more  
Well you know it's lonesome you know it's lonesome,  
when you sleepin', all by yourself  
The little girl that you lovin',  
she lovin' someone else  
And it's lonesome,  
sleepin' by yourself  
Well you know the little woman that you involved with now,  
she is loving someone else
