

# Muddy Waters, My Love Strikes Like Lightning

My love strikes like lightnin'  
And it will hit you just like a falling tree  
My love strikes like lightnin'  
And it will hit you just like a falling tree  
Oh, you know it's not a pain that'll hurt you  
But it will leave you in such a misery

My love strikes like lightnin'  
And it'll get all in your bloodstream  
Oh, you know my love strikes like lightnin'  
And it'll et all into your bloodstream  
Oh, look at my baby laughing at me...hah hah hah hah  
Sayin' "Muddy I know just what you mean"  
(Well alright baby!)

My love strikes like lightnin'  
It will shake the teeth up in your mouth  
Oh you know my love strikes like lightnin'  
Will shake the teeth up in you mouth  
Oh, you know my baby she ???  
And this little girl she know what I'm talkin' about
