

# Muddy Waters, Piney Brown Blues

Well I've been to Kansas City  
Girls and everything is really alright  
Yes, I've been to Kansas City  
Girls and everything is really alright  
Yeah the boys jump and swing  
And to the broad daylight

Yes I dreamed last night  
I was standin' on 18th and vine  
Yes I dreamed last night  
I was standin' on 18th and vine  
I shook hands with Piney Brown  
An' I could hardly keep from cryin'

Now come to me baby  
I want to tell why I'm in love with you  
Please come to me baby  
I want to tell you why I'm in love with you  
Because you understand  
Everything I do

I want to watch you baby  
When the tears roll down your cheeks  
Yes, I want to watch you baby  
When the tears roll down your cheeks  
I wanna hold your hand  
Tell you that your kind can't be beat  
Tell you that your kind can't be beat
