

# Muddy Waters, So Glad I'm Living

My baby's long and tall,  
Shaped like a cannon ball  
And every time she loves me,  
Oh, you can hear me squall  
I cried hmmm, hmmm,  
I believe I change my mind  
Ah, she said, "I'm so glad I'm livin'",  
I said, "Hmmm baby, I'm so glad you're mine";

My baby loves me,  
I know she loves me right  
She lets me lay down,  
and I love her all night  
I cried hmmm, hmmm,  
I believe I change my mind  
Ah, she said, "I'm so glad I'm livin'",  
I said, "Hmmm baby, I'm so glad you're mine";

My baby love me,  
she love me with a thrill  
I don't believe,  
she tryin' to get nobody killed  
I cried hmmm, hmmm,  
I believe I change my mind  
Ah, she said, "I'm so glad I'm livin'",  
I said, "Hmmm baby, I'm so glad you're mine";
