

Muddy Waters, Thirteen Highway

I went down 13 Highway, drivin' a brand new V8 Ford
I went down 13 Highway, drivin' a brand new V8 Ford
Oh you know I was drivin' so fast, baby I couldn't hardly see the road

Oh I was drivin' 60 miles an hour, all up and down the hill
Oh you know I was drivin' 60 miles an hour, all up and down the hill
Oh you know I was speedin' so fast, I couldn't hardly control my wheel

Don't the highway look lonesome, after the sun done gone down
Oh don't the highway look lonesome, after the sun done gone down
Oh you know you're all alone by yourself, there ain't nobody else around
