

Mudhoney, Come To Mind

Ah

I feel you getting nearer
I feel your fear
I feel you getting nearer
Still I want you here

Ah, ah
Now's the time to come to mind
Ah, ah
Now's the time to come to mind

Are you ready to go
Where no one comes near?
Are you ready for
Everything unclear?

Ah, ah
Now's the time to come to mind
Ah, ah
Now's the time to come to mind

OK
