

Mudhoney, Holden

Holden

I can tell by the shuffle in your walk
I can tell by the nonsense in your talk
I can tell by the way you laugh at everything
I'm with you man, I'm not digging this scene, no

I gotta know
I gotta know
I gotta know
I gotta know
I gotta know
I gotta know
You holden

Gonna fly me a rocket straight to outer space
'Cause space is the place where anyone's free
Hey buddy I'm short a buck
Can you dig my rotten luck?
Yeah, I know it don't grow on trees
Thanks man, you're a friend indeed

Now I know
Now I know
Now I know
Now I know
Now I know
Now I know
You're holden

I know
I know
I know
You're holden
