## Mudhoney, Holden

## Holden

I can tell by the shuffle in your walk
I can tell by the nonsense in your talk
I can tell by the way you laugh at everything
I'm with you man, I'm not digging this scene, no

I gotta know You holden

Gonna fly me a rocket straight to outer space 'Cause space is the place where anyone's free Hey buddy I'm short a buck Can you dig my rotten luck? Yeah, I know it don't grow on trees Thanks man, you're a friend indeed

Now I know You're holden

I know I know I know You're holden
