Mudhoney, Let It Slide

Let it slide Let it slide Let it slide Let it slide They can make it sound so nice Everybody's got a price Ho, ho, ho, ho

Give it away Give it away Give it away Give it away Nobody's here to stay They own you to the grave Ho, ho, ho, ho

Try to hide
Everybody's got a price
They can make it sound so nice
Ho, ho, ho, ho

Hell to pay
They own you to the grave
Nobody's here to stay
Ho, ho, ho, ho
