

Mudvayne, All That You Are

Repeating in my head

Betrayal

Repeating in my head

Insecurities

Repeating in my head

Dividends

It's not your fault

The well of thought and trust has run dry

Don't be afraid to let go

Don't be afraid to start over when it's over

Let go

Let go

Let go

Let go

Let go of feelings

Let go of compromise

Hollow trunk for shelter

So dark and cold inside

I always seem to find myself alone

Jaded shell of being

Porous as a stone

Calloused

Rigid

Empty

Because of you

Let go of trusting

Lost thought for family

Let go of living

No more concerns of demise

I never seem to find rhythm for life's harmony

Contorted
Twisted broken
Without a reason

Calloused
Rigid
Empty
Because of you

It's all me
All you are
Without me
There's nothing else
There's no one

Brainwash
All you are
Without me
You're by yourself
There's no one

Hope is out of season
Lost sight
No hint of light
Get busy living or get busy dying

Calloused
Rigid
Empty
Because of you

It's all me
All you are
Without me
There's nothing else

There's no one

Brainwash

All you are

Without me

You're by yourself

There's no one

Save me

This loss

Closure my

Answer

So grant it

You owe me all that you are

Without me

You're nothing

You're no one

Terrified

Petrified

Nothing

You're no one

Do you care because I don't

Nothing

You're no one

Nobody cares so just go

Nothing

You're no one

By yourself all alone

It's all me

All you are

Without me

You're by yourself

There's no one

Brainwash

All you are

Without me

You're by yourself

There's no one

Save me

This loss
