

# Mudvayne, Not Falling(From Cd Booklet)

Always, known in all my life time  
A little left of center now  
Reflect, as I realize  
That all I, need is to find  
The middle pillar path to sit like the sun by a star in the sky  
and just be,  
Sinners, casting stones at me  
I...I stand, not crawling, not falling down  
I...I bleed, the demons that drag me down  
I...I stand, (for nothing) not crawling,  
(the center), not falling down  
(of calms within the eye)  
I...I'll bleed, (for no one), the demons,  
(but myself) that pull me down  
(for me and no one else)  
Goodbye, sunshine, I've put it out again, Sad!!!  
I'm over, personalities, conflicting  
I don't need you, or anyone, by me  
I'll just be, living my own life,  
I feel my glowing center grow, infecting  
I feel alive  
Shovel dirt over lime,  
Plant it in myself to sit like a seed under covers of earth and just be  
Sinners, pointing fingers at me  
I...I stand, (for nothing) not crawling,  
(but myself), not falling down  
I...I bleed, (for no one), the demons,  
(but myself) that drag me down  
I...I stand, (for nothing) not crawling,  
(the center), not falling down  
(of calms within the eye)  
I...I'll bleed, (for no one), the demons,  
(but myself) that pull me down  
(for me and no one else)  
Come play kill  
(Refuse my body, Refuse my shadow)  
Stone cold will  
(Refuse to lead this, Refuse to follow)  
Bitter pills  
(Refuse to feed this, Refuse to swallow)  
I'm fueled godless  
Come play, come play  
KILL!!!  
JUST BE (x6)
