

Mudvayne, Shadow Of A Man

Mirror mirror... Upon the wall I'm asking you

"Who is the most confused of them all?"

Mirror mirror... Subservient twin screams back at me "You!"

You sick flawless mime,

I want to break you

Yeah, you're a clever one...

Do you reflect me?

Or do I reflect you?

Are you inside of another world?

I wanna break through!

Yeah, you're a clever one...

Is this a tool, can I step through, to find another plane,

Or just a shadow of a man

A superficial tool, to support the vanity of weak,

When you don't love yourself

If life's as painful on your side, I'll break your

Existence and cut through mine

You're a clever one

Are you a tool, can I step through, to find another plane,

Or just a shadow of a man

Are you my brother, you look like me,

Trapped inside another world my lost twin

Just a superficial tool, to support the vanity of weak,

When you don't love yourself

Mirror mirror upon the wall, am I the reflection

Of you,

Mirror mirror upon the wall, are you staring back through

Understanding has no place within my world

On your side

Are you a tool, can I step through, to find another plane,
Or just a shadow of a man
Are you my brother, you look like me,
Trapped inside another world my lost twin

Are you a tool, can I step through, to find another plane,
I'm just a shadow of a man
Just a superficial tool, to support the vanity of weak,
When you don't love yourself
