

# Muggy Mr., Prayer

Out in the street  
The wind in my hair  
I should have ran  
But I stood and stared

He was only a boy  
A boy in too deep  
I took his life  
And now I'm paying with mine

Lord forgive me for what I've done  
I didn't mean to hurt no one, no

Passed down my sentence  
Just the other day  
I didn't get any years  
It's my life I'll pay

So many things to say(I don't wanna I don't wanna)  
But I don't want to say good-bye (I don't wanna die)  
I want to live I don't wanna die

Lord forgive me for what I've done  
I didn't mean to hurt no one  
Sorry soul  
You set me free  
I don't wanna die  
Lord forgive me

Here comes the Preacher  
With the Book in his hand  
I said I'm only a boy  
He said you've gotta stand like a man  
I sit here waiting  
I'm waiting to pay  
Lord forgive me  
I don't wanna die today

Lord forgive me for what I've done  
I didn't mean to hurt no one  
Sorry soul  
You set me free  
I don't wanna die  
Lord forgive me

Lordy, Lordy please forgive me, I don't wanna die today  
No, nononononononono  
Said I. . . . .I  
I don't wanna die today

No No nonono  
Said I. .
