

# Mull Historical Society, Oh Mother

Oh mother I'm fine, I seldom get down  
At least not for a day  
Oh mother I'm fine, not for some time  
Have I been in pain

Oh mother the time, wont wait for us now  
We can't wait in vain  
Oh mother don't cry, we'll try to get by  
We'll try to be brave

Got a feeling coming round  
Holding me down  
I've got a hold of you  
So open  
Open

Oh mother you called, your voice hangs above  
The fog in my brain  
Oh mother the time, mother the time  
Might tick for me now

Oh mother the pain, is part of the joy  
And that is the deal  
Oh mother I'm fine, I'm blinking in time  
To block out the fear

Got a feeling coming round  
Holding me down  
I've got a hold of you  
So open  
Open  
I'm feeling so alive
