

Mulu, Sink

Hey now, I know yeah, how.
Hey now how, I know it.
You were the only one, I saw you.
See the light inside and, I'm through, yeah.

I wandered out and I couldn't help what I felt.
Yeah even though I, I couldn't feel yeah.

He knows how I try, and I love it,
He knows it, when I'm alive, yeah'

I cannot feel,
I cannot begin to deal with,
What is mine.
I cannot feel,
I cannot begin to deal with,
What is mine.
