

# Mumford & Sons, Lover of the Light

And in the middle of the night  
I may watch you go.  
There'll be no value in the strength  
Of walls that I'll have grown  
There'll be no comfort in the shade of the shadows thrown

But I'd be yours if you'd be mine

Stretch out my life and pick the seams out  
Take what you like but close my ears and eyes  
Or watch me stumble over and over

I had done wrong you built your tower  
But call me home and I will build a throne  
And wash my eyes out never again

But love the one you hold  
And I will be your gold  
To have and to hold  
A lover of the light

With skin too tight and eyes like marbles  
You spin me high so watch me as I glide  
Before I tumble homeward, homeward

I know I've tried I was not stable  
And flawed by pride I miss my sanguine eyes  
So hold my hands up  
Breathe in and breathe out

So love the one you hold  
And I will be your gold  
To have and to hold  
A lover of the light

And in the middle of the night  
I may watch you go.  
There'll be no value in the strength  
Of walls that I'll have grown  
There'll be no comfort in the shade of the shadows thrown  
You may not trust the promises of the change I'll show  
But I'd be yours  
If you'd be mine

So love the one you hold  
And I'll be your gold  
To have and to hold  
A lover of the light

So love the one you hold  
And I will be your gold  
To have and to hold  
A lover of the light
