

Mundy, To You Everything I Bestow

Well you may not see me when you come back
I could be sharing someone else's pillow
And my love for you is better than diamonds
To you everything I bestow
And tomorrow I'll be dancing on my own
And I'll need a kiss for my head that's aching
And I'll be a hungry dog without a bone
Hoping my place with you's not taken

Kiss me and tell me it's not broken
Kiss me and kiss me till I'm dead
See I'll give you the stars, from the bruised evenin' sky
And a crown of jewels for your head now
For your head now
And for your head now, and for your head

One last night in bed for a time
Two more wishes and both are for thine
And three guesses you're the angel's child
Four hopes that this love's not spoiled

Kiss me and tell me it's not broken
Kiss me and kiss me till I'm dead
See I give you the stars, from the bruised evenin' sky
And a crown of jewels for your head now
For your head now
And for your head now, for your head now

And if you come back I'll take you to the garden
We'll dance to an orchestra on the lawn
And we roll in the foggy dew
And dance with the ghosts upon the dawn and on the dawn and on the dawn
Then you'll kiss me and tell me it's not broken
Kiss me and kiss me till I'm dead
See I give you the stars, from the bruised evenin' sky
And a crown of jewels for your head now
For your head now
And for your head now, for your head now
For your head now
