

Mungo Jerry, Take Me Back

Oh, take me back, take me back, won't do nothing you don't like
Oh, take me back, take me back, won't do nothing you don't like

I'll chop your wood, chop your wood, I'll light your fire, treat you good
I'll chop your wood, chop your wood, I'll light your fire, treat you good

Oh, take me back, take me back, won't do nothing you don't like
oh, take me back, take me back, won't do nothing you don't like

I'll bring you water, I'll bring you wine,
I'll bring you love girl, all the time
I'll bring you water, I'll bring you wine,
I'll bring you love girl, all the time

Take me back, take me back, won't do nothing you don't like
oh, take me back, take me back, won't do nothing you don't like

I'll chop your wood, chop your wood, I'll light your fire, treat you good
I'll chop your wood, chop your wood, I'll light your fire, treat you good

Take me back, take me back, won't do nothing you don't like
oh, take me back, take me back, won't do nothing you don't like

Take me back, take me back, won't do nothing you don't like
oh, take me back, take me back, won't do nothing you don't like
