

Mura Masa & Charli XCX, 1 Night

You're somthin' special
20 carats, solid gold
What we had was precious
But I had to let you go
We had a connection
But I'm not the type of girl who wants serious affection
It doesn't belong in my world

It was only 1 night
Bit I wanna go back to where we're /3x
It was only 1 night
Bit I wanna go back to where we're /2x
I just wanna go

Do you wanna go? /2x
It was only 1 night
Do you wanna go? /
Do you wanna go back to where we're?
/2x

Got that chain reaction
Didn't know what it was worth
16 million mentions
Ain't pickin' up the whole damn Earth
We had a connection
But I'm not the type of girl who wants serious affection
It doesn't belong in my world

It was only 1 night
Bit I wanna go back to where we're /3x
It was only 1 night
Bit I wanna go back to where we're /2x
I just wanna go

Do you wanna go? /2x
It was only 1 night
Do you wanna go? /
Do you
