

# Murder By Death, Flamenco's Fuckin Easy

Life in the city  
everyone's busy  
packin' portfolios to kill competition  
hey boss, hey boss i'm capable;  
of making your life easier;  
but i'm drunk on promotions.  
can i get you some coffee?  
can i make you some copies?  
have you seen my resume?  
i'm a regular go-getter.  
hey boss, hey boss i'm capable;  
of making your life easier;  
but i'm drunk on promotions.

i'll take the slow life  
like a cowboy strayin' 'cross the open plains  
wandering without fear of a monday.

hey boss, hey boss i'm capable;  
of making your life easier;  
but i'm drunk on promotions.
